Below this is the 'Response Manager' section for the 'IT Camp 2016' campaign. A yellow banner at the top of the response area states 'This campaign is publicly readable!'. The interface includes a search bar, a date range selector (From/To), and a 'Show 25 entries' dropdown. A table lists survey responses with columns for Owner, Date, Shared status, and Location. Two entries are visible: one by Tobias dated 2016-07-15 11:08:00 with a 'shared' status, and another by JoanFrancioni dated 2016-07-14 22:26:22 with a 'private' status.
